

Foundations in Accountancy

Accounting Certificate Program for Non-Accountants

Interested in a career in business? Knowledge of accounting will be key to your success.

Enroll in our fully online **Introductory Certificate in Financial and Management Accounting Program.**

Grant Thornton Academy, in collaboration with the Association of Chartered Certified Accounts (ACCA) brings to you an internationally recognized certificate program in financial and management accounting based on its Foundations in Accountancy (FIA) consisting of a suite of awards, including certificates, diplomas and a revised Certified Accounting Technician (CAT) Qualification.

This online course in accounting provides learners with flexible entry points with certification awarded at each level, allowing learners to tailor the awards, making them an attractive and relevant choice for employers. This certificate qualification is ideal for business owners, startup entrepreneurs, and non-accounting professionals who want to start a career in business, finance or accountancy.

INTRODUCTORY CERTIFICATE IN FINANCIAL AND MANAGEMENT ACCOUNTING PROGRAM

This program is perfect for anyone looking to gain knowledge and understanding of the accounting and finance fields.

Program structure

Recording Financial Transaction (FA1)

You'll develop knowledge and understanding of the main types of business transactions and documentation and how these are recorded in an accounting system up to the trial balance stage.

Modules:

- Types of business transactions and documentation
- Duality of transactions and the double entry system
- Banking system and transactions
- Payroll
- Ledger accounts
- Cash and bank
- Sales and credit transactions
- Purchases and credit transactions
- Reconciliation
- Preparing trial balance

Management Information (MA1)

You'll develop knowledge and understanding of providing basic management information in an organization to support management in planning and decision-making.

Modules:

- Nature and purposes of cost and management accounting
- Source documents and coding
- Cost classification and measurement
- Recording costs
- Spreadsheets

* Upon completion of the program, the participant will receive an Introductory Certificate in Financial and Management Accounting from Grant Thornton Academy. In order to obtain this introductory accountancy certificate from ACCA, it is necessary to pass two examinations (FA1 + MA1).

Discover a world of opportunities with ACCA.

Instructor

Jess B. Obaña

CPA, CFE, MBA

*Senior Managing Consultant,
Advisory Services &
Ed-Tech Leader, GT Academy X*

About the Instructor:

Jess has 25 years of combined experience as a senior finance executive and educator prior to joining P&A Grant Thornton. His technical expertise includes international financial reporting standards (IFRSs), international standards on auditing (ISAs), instructional design, curriculum development, and educational technology.

For the past six (6) years, Jess has successfully developed and implemented more than a dozen courses in accounting and finance in both online and blended learning environments. In 2018, he was the lead instructional designer and developer of an ACCA Accredited Accounting degree program that was awarded with the highest number of paper exemptions (8 exemptions) – a national and regional achievement in Oman and in the Middle East.

Jess has worked in eight (8) countries worldwide: Philippines, Sudan, China, Singapore, Lao PDR, Cambodia, Oman and the United Arab Emirates.
