

NOTICE

Subject : Extension of Temporary Use of 2020 Form for Filing of General Information Sheet on eFAST Until 30 June 2026

The Commission hereby informs all corporations that the temporary use of the 2020 General Information Sheet (GIS) Form for filing through the Electronic Filing and Submission Tool (eFAST) has been further extended until **30 June 2026**.

The 2020 GIS Form remains available for download through the SEC website at <https://bit.ly/2020GISForms>. This extension is granted to allow corporations sufficient time to complete the necessary setup or access arrangements for Hierarchical and Applicable Relations and Beneficial Ownership Registry (HARBOR), the Commission's online system for the submission of beneficial ownership information.

For concerns involving eFAST, eSECURE, or HARBOR, the public may visit the 2nd Floor of the Securities and Exchange Commission (SEC) Headquarters in Makati City or proceed to the nearest SEC Extension Office for on-site assistance.

The public may also reach the SEC through the following channels:

- Dial 1-4SEC (1-4732) for phone support and inquiries.
- Send a message via the SEC iMessage portal (<https://imessage.sec.gov.ph/>) for digital assistance and follow-ups.

Issued on 12 May 2026.
